COMMENTS/DESCRIPTIONS

I have called these all Jicaro rather than Jicaro, G, because there is no evidence of anything other than Jicaro. Reheating evident: 27 body sherds are pink-orange on interior, 4 large body sherds have a color pattern of tan (very thin, <1mm) orange/pink, gray core, orange-pink, tan (thin again). 4-8 rim sherds are discolored orange-pink on exterior, as is G-3. All handles virtually devoid of slip. All sherds are unglazed.
